

Entrance gateway to Mill

Signs to look out for.

Due to extensive road works the best approach is via Bradford Rd / Old Mill St & Beswick Street.

You will see a big spray can sign for AWOL & Hope Mill Studios as you go down the drive and a big car park/courtyard on your right with a graffiti wall.

You can get the lift to the 3<sup>rd</sup> floor but will have to call me to let you in through the security door.
